

I like that the name is very obvious and stands out a lot, this would be important for a portfolio.

Bruno Suraski

I like that the different art pieces are split into different sections and are organised neatly.

About Richard Hollis

Selected Work

- Book design
- Books as author & designer
- Commercial clients
- Design with art
- Education
- Film subjects
- Magazines & journals
- Miscellaneous & personal work
- Music
- Non-commercial Clients
- Private & commercial galleries
- Public galleries
- Public institutions

I like that the pieces are different shapes and sizes while still maintaining a certain level of cohesiveness
